RE: New Complaint Received - Civil Action 06-685 UNA  
Roy v. USA et.al.

Dear Mr. Roy:

We are in receipt of a new civil action submitted by you, to which we have assigned Civil Action Number 06-685 UNA. Please be advised that your papers did not contain either the \$350.00 filing fee, or in the alternative, an Application to Proceed Without Prepayment of Fee and Affidavit (in forma pauperis application).

If you desire to proceed in forma pauperis, an affidavit to proceed as a pauper is required. Should you decide to pay the filing fee, the fee is \$350.00, payable to Clerk, U.S. District Court. If you pay the filing fee an affidavit of poverty is not required. No later than November 30, 2006, please complete, sign and return the enclosed form to the Clerk of Court, or submit the required \$350.00 filing fee.

When your application for pauper status is received, it will be submitted to a judge for determination as to your standing to proceed in such a manner. If this status is granted, pursuant to an Order, you would then be responsible for providing sufficient copies of the Complaint and Order (one for each person to be served), along with USM 285 Forms (Marshal's Service forms) to effect service. Only then will the U.S. Marshal serve your complaint on the defendants.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(c)(3) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 507(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. For guidance in determining whether your gross receipts are "normally" more than \$25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.
